Dear Parents:

As we approach the beginning of the 2021-2022 school year, I would like to take this opportunity to extend a warm welcome to all new and returning families. We plan to enhance our services to students as we build on the successes of the past years.

The administration and staff will continue to:

Teachers will familiarize parents with our programs, textbooks, instructional materials, homework policy, class rules and regulations and our Science Fair/Innovation expectations and information.

### **Cell Phones**

Cell phones are prohibited unless approval is obtained from the principal. If approval is given, students must turn their phones into the office upon arrival to school. Personal tablets, iPods and computers are not allowed at school. **Parents, PLEASE** don't tell your child not to turn in their cellphones. That behavior signals to your child that he/she does not have to follow the rules and can be deceitful in their behavior.

If a student is caught with a cell phone in the building/classroom approved or unapproved the student will serve **an AUTOMATIC TWO DAY AFTER SCHOOL DETENTION and the phone will only be returned to the parent once the detention has been served. If the same student is caught with the cell phone again the student will automatically serve a five day afterschool detention and the phone will be returned to the parent once the detention has been served.**

### **Social Media**

**Parents please monitor what your children are experiencing, writing and discussing through social media. The severity of social media can and does lend itself to cyber bullying which is a crime. All derogatory social media conflicts which disrupt the educational environment at Amelia Earhart School, will carry a minimum three day afterschool detention any grade level. (Examples of social media-snap chat, facebook, kik, musically, instagram, twitter etc).**

***Thank you for your continued support. Earhart School is indeed an ideal setting for personal, social and academic growth!***

Sincerely yours,
